

ABAI Ambassador Self-Nomination

An ABAI Ambassador will help educate physicians, patients, specialty organizations, policy makers and other stakeholders about the value of ABAI Board certification and the ABAI Maintenance of Certification (MOC) Program.

Ambassadors may be called upon to serve as local and regional information resources for communication of issues of importance to the specialty of Allergy and Immunology and the ABAI. Ambassadors may be called upon to conduct presentations on behalf of the ABAI on issues relevant to certification, and to provide facts and constructive comments on the advantages of continuing certification and the CAP program to physicians, credentialers, legislators, regulators, and other stakeholders. Ambassadors may also be called upon to assist with advocacy efforts of the American Board of Medical Specialties.

Ambassadors will serve terms renewable every two years which is dependent on Meeting MOC requirements and past performance as an ambassador.
