ABAI Peer Survey

1. This physician promptly responds to requests for urgent consultations?
2. This physician gives clear advice and instructions regarding patient care?
3. If your patients have made comments about this physician's interpersonal and communication skills, how often have these been favorable?
4. This physician adequately alerts me about or discusses diagnostic actions?
5. How often did this physician refer a patient of yours to another doctor without informing you of the referral?
6. This physician adequately informs me about suggestions for additional referrals of my patients?
7. This physician informs me about the results of tests in an adequately prompt manner?
8. This physician provides adequate information after a procedure to be able to adequately advise my patients?
9. Regarding the information you received from this physician, how often was it effective in providing feedback of the clinical services the consultant provided to your patients?

On a scale of 0 to 10, where 0 is the worst consultant physician possible and 10 is the best consultant physician possible, what number would you use to rate this physician?

0 1 2 3 4 5 6 7 8 9 10
